

PROVIDING COMPETITIVE BASKETBALL TOURNAMENTS FOR 20+ YEARS FOR OVER 4,750 TEAMS.

We will do our best to give you and your team an enjoyable yet competitive experience. We will be transparent with you about the competition we have to offer at each tournament. If we believe we cannot provide you with quality competition, we will communicate with you and work to find a solution that meets your team's needs. We expect that you are honest about the competitive level of your team.

Key Points

- **Tournament Format:** 3 game guarantee / 20-minute halves / Minimal wait time.
- **Variety:** We pride ourselves on out of state, out of conference and out of area matchups.
- **You can just coach:** We will take care of the scoreboard and scorebook.
- **Bracket:** Seeded and set up so you can compete with teams that you don't normally play
- **Officials:** We work really hard to hire officials who will call a real game. It could never be perfect, but we can guarantee you that we will do everything in our power to make your experience positive.
- **Value:** We aim to offer you the lowest cost per minute of court time this summer.
- **We try to accommodate your travel situation.** Start early, finish early. Start late, finish late.

GRADE LEVELS

Player's grade is their grade level in September 2024.
